FUJIWARA 株式会社フジワラ

Dated on: ***June, 2019***

PERFORMANCE CERTIFICATE

TO: ENTEC A&T JOINT-STOCK COMPANY

Firstly, **FUJIWARA JSC** in Japan would like to send our respectful greeting to **ENTEC A&T JSC**.

From 15h00 on June 26, 2019, the Fujiwara - Binh Dinh Solar Power Plant (capacity of 50MWp), which is invested by Fujiwara - Binh Dinh Company Ltd., was officially put into commercial operation and intergrated into the Vietnam National Power Grid. The entire equipment system at the plant is being operated safety and reliability.

On behalf of the Board of Directors of Fujiwara JSC in Japan, I would like to express my sincere thanks to **Mr. Truong Xuan Truong - General Director of ENTEC A&T JSC.** and his colleagues of having made great efforts to contribute to the overall success of the project, support the Investor to complete the electricity installation schedule and put the plant into commercial operation before June 30, 2019.

We highly appreciate and acknowledge all the effords, the professional working spirit and the responsibility of the team of Engineers, Project Managers from **ENTEC A&T JSC**, who had cooperated with the Investor and General Contractor in this project.

We would like to send the best wishes to **Mr. Truong Xuan Truong** and all members of **ENTEC A&T JSC.** Wish your company growth and success in the renewable energy projects. We are looking forward to opportunity of collaboration with **ENTEC A&T** in the next projects in Vietnam.

Yours sincerely,

On behalf of Fujiwara JSC.

General Director

Osamu Kimura
