CONFIRMATION OF TRAINING CERTIFICATION

to whom it may concern

We OMICRON electronics, with the headquarters in Oberes Ried 1, 6833 Klaus, Austria, have been established and operative since 1993.

OMICRON electronics is an international company, manufacturing innovative solutions for secondary testing (since 1993) and primary testing (since 2001) for power systems and power system devices in electric utilities and industry.

Herewith, we duly confirm, that

MR. Tran Quang Minh
from
ENTEC A & T

has many years of experience in operating OMICRON equipment and thus, also very much is capable to provide introductions and trainings on the CMC 356 - OMICRONs Universal Relay and Measurement Test Set.

Shall you have any questions, please do note hesitate to contact us anytime.

With best regards.

Andreas Schröcker
Area Sales Manager Vietnam
